House Keeping

- Beds will be tucked in every day. We have curated a wonderful selection of cottage bedding for your comfort.
 - In order to conserve our natural resources the bed linen is changed every alternate day.
 - A clean home won't seem so far out of reach with the in-house staff to tidy up the cottage.
 - Sometimes it really is the little things that lend themselves to a sparkling abode. That's why we ask the guest to comply with a shoes-off policy that prevents toxins from entering. There are slippers available at the cottage for your use and comfort.
 - Towels will be laid out in the house ready to use. Please feel free to ask for fresh ones as required.
 - Covid-19 Cleaning Protocol: In response to the pandemic, new protocols have been introduced to ensure the safety of our guests and staff.
- 

- No services post 10:00 pm. We encourage our Staff to retire to their respective homes as they have to start their day early morning.
- No outside guests are allowed inside the property.
- Smoking/Hookah inside the cottages is a BIG NO! We have a very nice private lawn for you to use for the same.
- RO water is available.
- Heaters will be charged at Rs 500/heater.
